

Have your thoughts on which the best route of 'getting data governance' piloted within your institution changed?

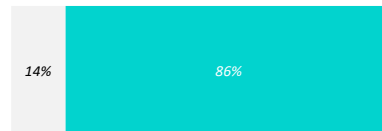

Opinion on scaling DG based on current institutional circumstances

■ Strongly disagree ■ Disagree ■ Neutral ■ Agree ■ Strongly agree

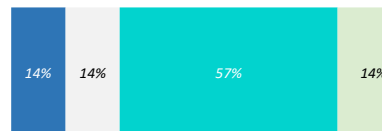

When staff understand the benefits of data governance, there is strong possibility the flood gates will open and result in a potential 'watering down' of the capability

There are numerous opportunities open and willing to adopt data governance and develop the capability.

I am confident that data stakeholders, sponsors and champions will support scaling up of a data governance capability within my institution
